Top Skills

Data Classification

Regression Models

Program Management

Certifications

SOLIDWORKS CAD Design
Associate (CSWA)

Supervised Machine Learning:
Regression and Classification

Krishna Dhanuk

Student | Mechanical Engineering | Design
Lalitpur District, Nepal

Summary

Mechanical engineering | Design | AI in Mechanical Engineering

Experience

Robotics Club, IOE Pulchowk Campus
Member
April 2024 - Present (2 years 3 months)
Lalitpur District, Nepal

Society of Mechanical and Aerospace Engineering Students
(SOMAES), IOE Pulchowk
BE Level Project Coordinator
January 2026 - February 2026 (2 months)
Lalitpur District

- Coordinated and managed BE Level Project Demonstration activities involving multiple student teams.
- Assisted in project scheduling, evaluation coordination, and documentation processes.
- Acted as a liaison between students, faculty supervisors, and evaluators.
- Ensured compliance with academic guidelines, rules, and project evaluation criteria.
- Contributed to smooth execution of project reviews, demonstrations, and result compilation.

AnK [Accelerated Komputing]

3D Data Intern

October 2025 - December 2025 (3 months)

- Completed a one-month internship at Accelerated Computing.
- Worked on a 3D classification and segmentation project.
- Gained hands-on experience in data preprocessing, model training, and evaluation for 3D vision tasks.
- Applied machine learning concepts to real-world datasets under expert supervision.

SEDS Pulchowk

National Chapter Representative & Outreach Manager

July 2023 - May 2025 (1 year 11 months)

Lalitpur District, Nepal

Education

Tribhuvan University, IOE, Pulchowk Campus

Bachelor's degree, Mechanical Engineering · (April 2023 - April 2027)
